

Webinar 2020

IMPROVING YOUR ORAL PRESENTATION SKILLS

Date: 20 November

Time: 18:00-19:15

Topics to be covered:

- ✓ The process of preparing an oral presentation
- ✓ Defining the audience
- ✓ Producing relevant content
- ✓ Preparing visuals
- ✓ Practicing your delivery
- ✓ The importance of practice

Summary: Nothing creates more fear among researchers than the need to present their work orally at an international conference of their peers. Improving Your Oral Presentation Skills provides useful advice on preparing and delivering oral presentations. The instructor will discuss organization of your talk, slide preparation, mental preparation, time management, body language, and how to avoid “Death by PowerPoint,” among other topics.
